

TEOFFICE

Design by
Marc Berthier

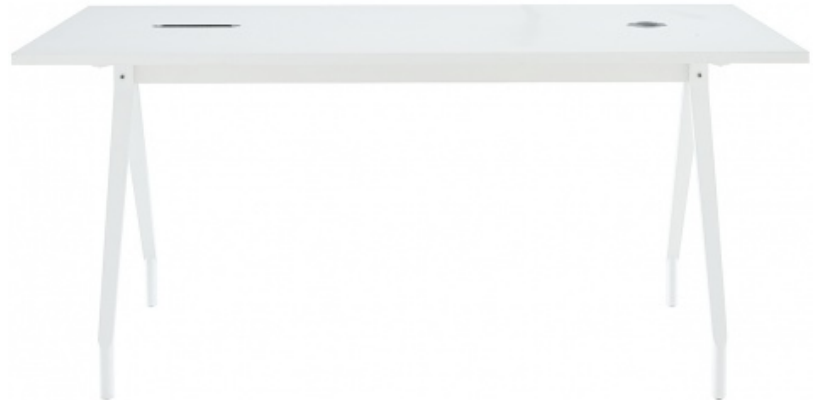

Description

Desk comprising a top in white 'FENIX' laminate with matching edges, equipped with 2 cable ports (one round - Ø 80 mm - with 4 USB ports to link directly with a computer, and another oblong - W 200 mm - with brushes). The moulded aluminium base is mounted on either side of a tubular lacquered aluminium beam, enabling cabling for a laptop to be concealed beneath it; the thick section of the base is similar to that of TEOMEETING.
