An aesthetic twist on the model

NOMADE (1996), NOMADE 2 is more urban, Parisian even, in a 'Rive Gauche' spirit, in the French tradition of art deco.

The structures, therefore, remain the same: however, the piped seam on the mattress has slimmed down to a band of thin piping whilst the covered buttons have become discreet stitch detailing and the back cushions clearly assert the refinement of their couture finish.

quilting with piped detailing on the edges and stitched detailing. Seat cushions have removable covers. Back cushions with comb stitch detail (in either toning or contrasting thread); lumbar and bolsters are piped as per seat; covers are zipped in place and therefore removable. The lower face of the seat cushion of the large settee, large one-arm settees, large chaises longue and the two sections of the convertible corner group is covered in a 100 % cotton piqué ticking which is both removable and dry cleanable. This ticking is treated with 'HealthGuard' - antibacterial, fungicidal. FABRICS Since the structure (base and back), seat mattress, 3 back cushions, lumbar cushion and bolster are priced separately, it is possible - and recommended - to create multicolour and/or multi-material compositions.
