

BISCUIT

Designer

Michael Koenig

Technical characteristics

Amalgamation of mirrors of various dimensions to create one large and highly original mirror which would not look out of place in a hallway, above a contemporary fireplace, or even in a bathroom. Superimposition of mirrors glued to a panel of black lacquered MDF, the rear of which is equipped with a fixing system which enables the mirror to be hung either vertically or horizontally. The above-indicated dimensions relate to the mirror in horizontal position.
