

MIRROR REUNION

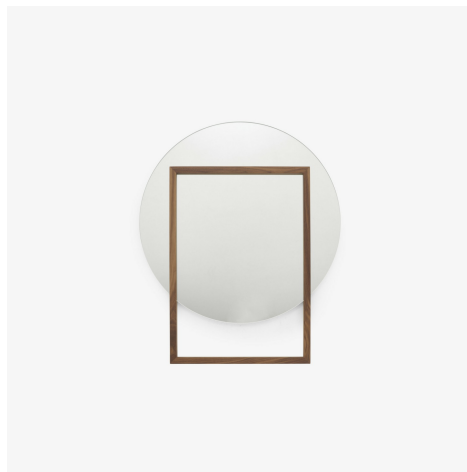

Designer

Busetti Garuti Redaelli

Technical characteristics

This mirror is composed of a frame in natural varnished solid American walnut, mirrored glass, and a wall fixing batten. It may also be set on a piece of furniture (but nonetheless still fixed to the wall).

May only be fixed vertically (with wooden frame overhanging downwards). 2 stoppers are supplied in the packaging: these are to be placed on the bottom of the frame by the customer, if the mirror is resting on a piece of furniture.

DIMENSIONS

Height 900 mm | Width 750 mm | Thickness 30 mm | Weight 8 kg
