Technical characteristics

Transparent varnished machined natural ash or matt black-stained machined ash. A metal clip is attached magnetically to the cap of the portable light, enabling it to hook onto the cable. Supplied with 2 x hooks which enable the cable to be attached to the wall or ceiling. This portable light may also be located vertically on a shelf to provide indirect lighting within a room. Black 4.20 m textile cable. Black manual switch located 80 cm from the plug. Supplied with 1 x 5W GU10 full glass dichroic bulb, angle of diffusion 32°, colour temperature 2,700K (warm white), 400 Lumens.
