Technical characteristics

Libra 2, reissue of the Libra, it is a comfortable and ergonomic chair designed for long hours of sitting in a way that adapts perfectly to your body and gives you extra support. It is composed of a natural rattan seat, made in Indonesia (ancestral know-how), which is a durable and very resistant material. The base is in bronze lacquered metal. The shape of the chair has been improved compared to the first model. It adopts a more contemporary and organic design and offers a better comfort.
