

# SAPARELLA

## Designer

Michel Ducaroy

## Technical characteristics

A re-release of a pioneering model from 1965, Saparella consists of a fireside chair, a diablo and a footstool. This modular range of seating enables one to create and modify compositions as desired, on a terrace or in a garden. This composition, with its rounded, airy lines, issues an invitation to relaxation and conviviality and encourages one to make the most of a beautiful day. The diablo, the central element, draws inspiration from the toy of the same name. Its concave outline enables elements to be slotted together - since the fireside chair is convex - to create a comfortable seat offering three seat places. The settee is made from two fireside chairs with a diablo in the centre. The three elements are held together by a linking-piece made from mirror-polished stainless.

**CONSTRUCTION** Base and sides in polyether foam 28kg/m<sup>3</sup> - 4.8kPa. The three items sit on a ventilated Batyline-type fabric. Water runs off naturally thanks to the convex shape of the seat. **COMFORT** Seat and back made from high resilience polyurethane Bultex foam (36kg/m<sup>3</sup> - 3.2 kPa), clad in a comfort layer of high resilience polyurethane Bultex foam (38 kg/m<sup>3</sup> - 3.6 kPa).

**MAKING-UP** Water-resistant inner liner, guaranteeing that each item is waterproof. Cover quilted with 200g/m<sup>2</sup> polyester. 5mm baguette stitch. Removable covers.

## PRODUCTS

### FIRESIDE CHAIR OUTDOOR

#### DIMENSIONS

Height 680 mm  
Width 780 mm  
Depth 1,000 mm  
Seat height 340 mm
