

# TABLE LAMP PLISSÉ

## Designer

Bambù studio

## Description

Smooth mouth-blown opal glass shade, lacquered steel structure. LED bulb 13 W E27. Colour temperature 3000 K (warm white), 1140 Lumens.

## Technical characteristics

This light draws its inspiration from a playful light & shadow game, affixed on a fabric covering. Thanks to its “pleated” (plissé) and homogeneous texture, the surface of the lampshade becomes more opulent, with a more complex presence, giving its full and abrupt surface a softer and more flexible character. Entirely hand-made, each model is unique.
