

# POSTMODERNE

## Designer

Eric Jourdan

## Technical characteristics

THE CONCEPT For Eric Jourdan's new family of storage, everything revolves around a language of forms. It is the design which guided the project, the pencil drew, adjusted, proportioned the constituent elements of the piece, balancing the tops, for example, with the staggered legs. In its light, asymmetrical, hollowed appearance one recognises the rounded forms so beloved of Eric Jourdan. BEDSIDE TABLE Edging in 8 mm multi-ply clad in natural oak, black-stained oak or walnut veneer, with a flat metal reinforcement centre back for rigidity. Choice of 8 finish associations – see following page. TV UNIT Edging in 8 mm multi-ply clad in natural oak, black-stained oak or walnut veneer.
