

OCCASIONAL TABLE APUSO APUSO & RONDONE

Designer

Dozsa & van Dalssen

Description

Small occasional table in travertine (monobloc). Each block of travertine is selected, cut by a numerically controlled machine, then sanded by hand. A water-repellent treatment is applied to the surface of the tray.

Technical characteristics

The Apuso and Rondone tables are characterised by their sculptural and organic shapes. Depending on the angle from which they are observed, their contours and shapes offer different perspectives. All the beauty of these sculptures is fully highlighted when the tables are placed side by side... a poetic scene can emerge when the large table is placed on the small one, as a protective and comforting gesture.
