Technical characteristics

The Biscotto pedestal table are an association of cut and assembled marbles, like a game of Ying and Yang. The low model is made of marble from Portugal: Ruivina (grey) which is slightly veined and Brecha Maritima (beige) sanded, polished, with a water-repellent treatment. The high model is made of white Estremoz (white) and Brecha Maritima (beige), sanded, polished, with a water-repellent treatment.
