

# VASE SMALL MULTICOLOUR FILA

## Designer

D. Debiasi & F. Sandri

## Description

Vase in transparent multicoloured mouth-blown vase (white, lilac, grey blue, orange, smoked).

## Technical characteristics

The principal originality of these vases resides in the long, narrow opening which skilfully counters the imposing base. Flowers can thus be arranged in a single-file line of vegetation. In the low version in matt white porcelain, it could be seen as a stylised iron, whilst the large version in amber-tinted glass with mercury glass interior is like an ancient jar.
